## Dr. MUHAMMAD MOINUDDIN QAZI ABRO

---

### PERSONAL PROFILE

I would describe myself as a teacher, researcher and administrator with varied experience in the field of Business, Management and Policy. After completing my Masters degree in Technology and Innovation Management from University of Sussex, UK, I did my PhD in the field of Management from Nottingham University Business School, University of Nottingham, UK. Upon my return to Pakistan, I rejoined Science, Technology and Development Institute in the Mehran University, which is a Business Management Institute and serving as Assistant Professor of the Institute. In the same year, I had been given the position of Secretary (Registrar) of the Institute along with my teaching and research responsibilities.

I am supervising / co-supervising 6 PhD's and more than 30 MPhil Research Students in the different areas of Business, Management and Policy. My list of research publication crosses to over 35 and all are published in international journals.

I am also member of the Board of Studies of my Institute, which meets once a year to update the current curriculum and introduce the new courses as well as programs. I was also appointed focal person for the University and developed the first Business Plan of Mehran University as required by higher Education Commission in Pakistan. Currently, I am working as Assistant Professor in the Management Department of the College of Business Administration of King Saud University, Saudi Arabia. The CBA will get AACSB accreditation early next year and I am actively involved in the accreditation procedure and am acting as focal person for my department.
