

## **Report on 5th ES-Inter Departmental Sports Competition & EPL (5th Edition), 2024 Department of Electronic Engineering MUET**

The Department of Electronic Engineering successfully organized the 5th edition of the ES-Inter Departmental Sports Competition on 2nd and 3rd October 2024. This two-day event featured a series of sports competitions including *Cricket*, *Badminton* (for both boys and girls), and *Throwball* (for girls). The venue for the competition was the MUET Gymnasium, and the Entry Test Cricket Ground.

The 5th EPL Cricket Tournament was a key highlight, with intense competition across batches. Badminton and throwball were equally competitive, with participants showing great sportsmanship and enthusiasm

The **opening ceremony** of the event took place on 2nd October 2024, with **Prof. Dr. Wajiha Shah**, Chairperson, Department of Electronic Engineering, as the chief guest for the ribbon-cutting ceremony. Following the ceremony, the games commenced with great energy and excitement.

### **Results of the Competitions:**

- **Cricket:** Winner - 20ES-II
- **Badminton (Boys):** Winner - 21ES-I
- **Badminton (Girls):** Winner - 21ES-II
- **Throwball (Girls):** Winner - 22ES

The **closing ceremony** was held on 3rd October 2024, where the winning teams were awarded trophies. **Prof. Dr. Wajiha Shah**, Chairperson of the Department of Electronic Engineering, honored the occasion as the chief guest. In her address, she commended the participants for their dedication and emphasized the value of such competitions in promoting teamwork, resilience, and a positive competitive spirit among students.

**Special recognition** was given to **Engr. Shoaib Hassan Khaskheli**, Senior Instrumentation Engineer and Sports Coordinator, whose tireless efforts in organizing and managing the event were pivotal to its success. Prof. Dr. Wajiha Shah also expressed her appreciation to the Departmental Event Management Committee and the volunteers for their hard work, acknowledging their key role in ensuring the smooth execution of the competition.

With a total of **164 participants** from department strength of 403, the event was a grand success, providing a platform for students to demonstrate their sporting talents. The event concluded with a vote of thanks and the announcement of plans for future competitions. The department is proud to maintain its tradition of organizing these sports events and looks forward to further nurturing the competitive spirit of its students.

Below are some glimpses from the Sports Competition.
