CURRENT STATUS

- Associate Professor, Department of Electrical Engineering
- Researcher, Energy and Environmental Engineering Research Group

KEY EXPERTISE

- Energy Planning and Policy Analysis
- Energy Modelling
- Decision Analysis
- Sound IT Skills, i.e., MS Office, MS Vision, MS Project, etc
- Strong interpersonal skills to lead and the ability to work effectively in a team environment
- Skill in organizing resources and establishing priorities
- Working knowledge of project management principles, practices, techniques, and tools

RESEARCH INTERESTS

- Sustainable Energy Planning, Energy Policy, Energy Modelling, Decision Analysis, Power Economics & Management, Distributed Generation, Hybrid Systems, Energy Materials

MEMBER

- Pakistan Engineering Council
- Energy Working Group, Energy Wing, Planning Commission, Government of Pakistan

QUALIFICATION

- **2018** Ph.D. Energy Systems Engineering, MUET, Jamshoro
- **2007** M.Engg. Electrical Power, NED, UET, Karachi
- **2003** B.E. Electrical Engineering, MUET, Jamshoro

WORK EXPERIENCE

- **May 2015 to date**, Assistant Professor, Department of Electrical Engineering, Mehran University of Engineering and Technology, Jamshoro Pakistan.
- **January 2012 to April 2015**, Assistant Professor and HoD, Department of Electrical Engineering, Mehran University of Engineering and Technology, SZAB Campus, Khairpur Mir's

- **August 2010 to December 2011**, Procurement and Contract Specialist, North Sindh Urban Service Corporation Limited under Asian Development Bank (ADB) financed Urban Services Improvement Program
- **July 2009 to July 2010**, Research Assistant, University Technology PETRONAS, 31750 Tronoh, Perak, Malaysia
- **May 2004 to July 2009**, Assistant Manager, BMR&E Projects, Pakistan Steel Mills Corporation, Bin Qasim, Karachi, Pakistan
- **May 2003 to May 2004**, Junior Engineer, Islamabad Electric Supply Company, Pakistan

MERIT AWARDS/DISTINCTION

- Ph.D. research funded under Pakistan Strategy Support Program of **PSSP-USAID** in collaboration with International Food and Policy Research Institute (IFRPI), Washington DC, USA, and Planning Commission of Pakistan.
- Awarded **travel grant by HEC** to present research papers at 12th International Energy Conference to be held from 19-20 June 2018 at Tehran, Iran
- Awarded **travel grant by HEC** to present research papers at 6th Annual International Conference Sustainable Energy and Environmental Sciences (SEES-2017), at Singapore
- Awarded **travel grant by HEC** to present research papers at the 14th International Conference on Sustainable Energy Technologies – SET 2015, Nottingham, UK

SUBJECTS TEACHING

- **Undergraduate:** Instrumentation & Measurement, Power Generation System, Power Economics and Management, Power System Control and Stability
- **Postgraduate:** Energy Management, Advanced Power Generation, Procurement and Contract Management, Energy Policy and Planning, Energy Resources Economics and Management

THESIS/PROJECT SUPERVISION

- **Ph.D. (02):**
 1. Mr. Ehsanullah, Proposed Thesis Title, “Development of Solar PV Electricity Generation Scenarios and Assessment of GHG Mitigation for Pakistan”- **In Progress**
 2. Mr. Arshad Chughtai, Proposed Thesis Title, “Electricity Demand Side Management for Energy Efficient Future of Pakistan” **In Progress**
- **Masters (04):**
 1. Mr. Suhail Ahmed Shaikh, Proposed Thesis Title, Techno-Economic Analysis of Hybrid Power System in Remote Areas of Sindh Province: A Case Study of Village of Shafiabad (District Sanghar), **In Progress**
 2. Ms. Lala Rukh Memon title “Cost-Benefit Analysis of Different Biomass Resources for Clean Electricity Generation”-for M.E Energy Systems Engineering, **(2018)**
 3. Mr. Zohaib Samtio title “A Delphi Based MCDM Model for Harnessing Renewable Energy Resources of Sindh for Electricity Generation” for M.E Electrical Power Engineering, **(2017)**
 4. Mr. Asif title “Integration of Solar and Wind Power Generation in a Direct Current Microgrid Set-up” for M.E. Electrical Power Engineering, **(2017)**
- **Undergraduate (04 Groups):**
 1. Group title “Techno-Economic Analysis of Matiari-Lahore HVDC Transmission Line under China-Pakistan Economic Corridor (CPEC),” for B.E Electrical Engineering **(2018)**

2. Group title “Projection of Long-Term Electricity Demand and Supply-Side Assessment for Pakistan 2015-2050; An Application of Long-Range Energy Alternative Planning (LEAP) model”, for B.E Electrical Engineering (2017)
3. “Group title Electricity Demand-Supply Scenario for Sindh Province (Pakistan) for 2035: An Application of Long-Range Energy Alternative Planning (LEAP) model”, for B.E Electrical Engineering (2016)
4. Group title “Pakistan’s Energy Crisis: Integrated Energy Modelling, A Review,” for B.E Electrical Engineering (2014)

CONFERENCES/SEMINARS/WORKSHOPS ATTENDED

- 17th World Wind Energy Conference and Exhibition WWEC2018 28-3 November 2018
- 5th International Conference on Energy, Environment and Sustainable Development (EESD2018), Mehran UET, Jamshoro, November 14-15, 2018
- Project Implementation and Administration Training by Asian Development Bank (04-08 Oct. 2010)
- Technical Writing Course at University Technology PETRONAS, Malaysia (Feb 2010)
- 02 Weeks Training Course on “Project Preparation and Appraisal” at Pakistan Institute of Development Economics (Planning Commission), Islamabad (April 2007).
- ISO 9001, TQM and Effective Communication at Pakistan Steel Training Institute, Karachi.
- Improving Boiler & Steam System Efficiency in Energy Network of Industry by Energy Conservation Authority (ENERCON), Pakistan (June 2006).
- 06 Weeks technical training in Electrical Power Distribution System at WAPDA Engineering Academy, Faisalabad (July/August 2003).
- 06 Weeks training in Power System Management at WAPDA Staff College, Islamabad September/October 2003).
- 4 Weeks internship training at Thermal Power Plant (1655MW), Guudu (June/July 2001).
