REQUEST FOR PROPOSAL

Guideline for Expression of Interest (EOI) Preparation and Submission including Technical Aspects of PITP at MUET, Jamshoro

1. Introduction

The People's Information Technology Programme (PITP) is a free IT training initiative by Mehran University of Engineering and Technology (MUET), supported by the Government of Sindh, to empower the youth of Sindh. It aims to bridge the digital skills gap by offering essential technology education, fostering economic growth, and creating opportunities in the IT industry. The program focuses on equipping underprivileged youth with the tools they need to succeed despite resource challenges.

2. Courses Offered

The People's Information Technology Program (PITP) offers a variety of courses, including Digital Marketing, Graphic Design, Web Development, E-commerce, Python Development, Data Science, Database Administration, Mobile App Development, and Java Development. These courses aim to equip the youth of Sindh with the essential IT skills needed for today's job market.

2. Call for Proposals

The Center would like to engage the services of an experienced institutions / centers / parties to provide logistic services on courses basis for PITP training classes as per following requirements:

- Minimum 50 Students seating capacity
- Minimum 35 functional Computers
- Multimedia Facility
- Friendly and ventilated environment
- Power backup
- Stable internet connectivity
- Drinking Water availability
- Toilets etc.

3. Preparation of Proposals

The eligible institutions / centers should submit their proposals consisting of the following documentation in the order mentioned below. We recognize that some of the elements mentioned below may be subject to revision or course correction during the implementation phase, but their presentation will help in assessing company's approach and competencies towards managing a successful business.

- *Section 1. Profile of the Company:* Provide an over view of your company, its history, description of services, client portfolio--especially those relevant to the services requested in this EOI, core team details, certifications, and financial strength etc. The following supporting documentation is required:
 - (i) NTN / Income Tax Certificate,
 - (ii) Professional Tax Certificate,
 - (iii) GST Registration Certificate (if applicable),
 - (iv) Evidence for 3 years of working experience in providing similar services, and
 - (v) 5% Earnest money to be submitted in the form of a pay order drawn in favor of the Deputy Director (Procurement) this amount will be returned back to unsuccessful bidders within four weeks of the opening of the tenders.
- *Section 2. Plan for Management and O&M of the plant:* Provide a plan describing how the overall operations will be sequenced and managed, including regular O&M of the plant. You may also wish to include details of your managerial and technical staff, different contracts to be executed with other parties, types of goods and services to be procured, and measures to be taken to avoid breakdown in operations etc.
- *Section 3. Business Plan:* Provide description of key elements of the business development plan. For example, within the context of existing water supply and demand analysis, what physical production and sales targets will be set? How these targets will grow over next five years? How you will introduce the product in the market in the presence of several other brands? Provide a brief analysis of costs and pricing scheme. Most importantly, outline the steps the company will take to implement the business plan.
- *Section 4. Marketing and Sales promotion Strategy:* How you will differentiate the product under discussion from other brands in the market to capture larger market share. Provide listing of sales promotion activities and associated marketing budget.
- *Section 5. Distribution Network and Logistics:* Provide details how the company will get the product from production plant to consumers (distribution channels). Will it be through the retail network or distribution agents or direct supply to consumers or e-marketing or any other method etc? How much volume will be handled under each method? What logistical arrangements will be made in support of each distribution channel, and specify company's capacities in making such arrangements?
- *Section 6. Expectations from the Center:* The bidding company should highlight expectations in terms of technical and administrative support needed from the Center, if any, which would help this business venture grow.
- *Section 7. Payment of Annual Fee:* The proposal should clearly mention the amount the MC would be willing to pay to the Center, monthly.

4. Submission of Proposals

The procurement of said services will follow a Single Stage – One Envelop procedure. The Center reserves the right to reject any or all proposals and may cancel the tender process at any time as per SPPRA Rules, 2010 (Amended time to time) prior to the acceptance of a proposal.

The proposals and cost data contained therein should remain valid for 90 days from the date of opening of proposal.

All prices should be quoted inclusive of all applicable duties and taxes.

Incomplete proposals will be rejected, and not considered for any further review.

Interested and eligible companies may submit their proposals in sealed envelope by close of business on 13-02-2025 through newly development EPADS, SPPRA, Govt. of Sindh.
